PSC APPROVES WATER AND SEWER APPLICATIONS

Jefferson City (May 26, 2004)---The Missouri Public Service Commission has approved applications which authorize Calvey Brook Water, Inc.(water service) and Calvey Brook Sewer, Inc. (sewer service) to provide service to a proposed 36-lot subdivision to be known as Calvey Brook Estates in Franklin County near St. Clair, Missouri.

Water application: On May 6, 2004, the PSC Staff filed a memorandum recommending the application be approved. Staff recommended the Company be required to submit a complete tariff specifying a monthly minimum rate of \$36.36 (including 3,000 gallons of usage) plus \$2.05 for each additional 1,000 gallons and specifying the agreed-upon connection fees. Staff indicated that there is a need for the service that Calvey Brook Water, Inc. proposes to provide and the Company has the technical, managerial and financial capabilities needed to serve the proposed service area.

Sewer application: On May 6, 2004, the PSC Staff filed a memorandum recommending the application be approved. Staff recommended the Company be required to submit a complete tariff specifying a monthly sewer rate of \$33.78, including the requirement that each customer install a septic tank for their service and specifying the agreed-upon connection fees. Staff indicated that there is a need for the service that Calvey Brook Sewer, Inc. proposes to provide and the Company has the technical, managerial and financial capabilities needed to serve the proposed service area.

The Commission approved the applications based upon a thorough review of the information contained in the applications as well as the PSC Staff recommendations.
